State Mutual Office Building – The Outdoor Lights

The overall design and execution was accomplished to accent the landscape and architecture on this historical building and property.

State Mutual Office Building – The Outdoor Lights

Well lights were installed in the sidewalk alongside this major road location, and the stunning brick is on full display.

State Mutual Office Building – The Outdoor Lights

Capturing the historical and stunning architectural vista from the 2nd Avenue approach to the beautiful building was a priority.

State Mutual Office Building – The Outdoor Lights

Collaboration and coordination with the concrete mason, landscape architect, and the civil engineers ensured everything would work out in this relatively small space and time sensitive project, where we achieve a stunning effect.

State Mutual Office Building – The Outdoor Lights

The entertainment patio is a common area used for major events several times each year. This space is also used for deliveries.

State Mutual Office Building – The Outdoor Lights

Lighting provides a festive atmosphere in the entertaining patio, and is easily installed and taken down. What a great space for parties!

JUDGES' COMMENTS:

Very dramatic. Inviting, safe, subtle. Loved the café lights!
