Community Stewardship

THE DAFFODIL PROJECT

Resilient, bright and filled with hope, these daffodils, which return with a burst of color each spring, are part of the worldwide Living Holocaust Memorial that aspires to plant 1.5 million daffodils in memory of the 1.5 million children who perished in the Holocaust and for children who suffer in humanitarian crises around the world today.

*"How can a person... not be moved by compassion?
And above all, how can anyone who remembers
remain silent?" - Elie Wiesel*
