

6

~~5~~ ways LPU can help you POWER UP for the new year!

- 1 It's a brand new show.**
Landscape Pro University combines the educational sessions of UAC's EDGE Expo and SiteOne University to create one exciting new educational opportunity.
- 2 Pick and choose.**
Spend the whole day learning about one topic, or change to a different topic every hour.
- 3 Learn from the best.**
Eight educational tracks will be taught by UGA and other educational institutions (agronomics, horticulture, business) and industry experts from specific fields (hardscape, irrigation, landscape lighting).
- 4 Connect with vendors**
Check out the latest products and services, try things out, get answers to your questions, and get to know the people behind the products.
- 5 Easy access.**
Cobb Galleria Centre is a high-quality venue located at the intersection of I-75 and I-285.
- 6. CEUs and pesticide credits!**
Georgia pesticide credits as well as CEUs from the International Society of Arboriculture and the Irrigation Association have been applied for. Visit the website for updates.

PLUS: Registration includes lunch, breaks and trade show!

Knowledge has the power to give you a competitive edge.

Landscape Pro University, powered by the Georgia Urban Ag Council and SiteOne Landscape Supply, brings seminars and training to industry professionals like yourself, providing the tools you need to raise industry standards and provide the best service to your customers - tools that can help you drive profits and set yourself apart.

Eight educational tracks to help you POWER UP:

- > Agronomics/Turf
- > Irrigation 101
- > Business 101
- > Landscape Lighting
- > Horticulture
- > Advanced Irrigation
- > Advanced Business
- > Belgard U Hardscape

Ready to get 2019 off to the right start?
